## OBJECTIVES

Boise FLITE Basketball, Inc. (BFB) is a student oriented basketball program that serves youth in Grades 9-12. BFB uses the basketball experience as a foundation to build academic, civic and leadership skills. BFB strives to provide opportunities for the youth of Idaho.

BFB's objective is to bring maximum exposure to High school athletes, making it possible for players to be seen by various colleges and universities, thus, bringing scholarships to athletes who, otherwise, would not go on to play college ball.

We are a true 501c3 non-profit organization. Coaches pay their own way to traveling events. All funds generated by donations or camp fees go directly to kids who cannot afford FLITE. Our coaches are unbiased and will provide a fair and honest evaluation to your son. **This is not our job but a passion.** We provide a unique opportunity to the boy's basketball community.
